SDGs: Goal 16 Peace, Justice and Strong Institutions – It aims to significantly reduce all forms of violence, and work with governments and communities to end conflict and insecurity. Promoting the rule of law and human rights are key to this process, as is reducing the flow of illicit arms and strengthening the participation of developing countries in the institutions of global governance.

Goal 17 Partnerships for the Goals – This goal aims to strengthen the implementation and revitalization of the Global Partnership for Sustainable Development through international collaboration and exchanges.

BACKGROUND: MCC joins the Southeast Asian Nations in the celebration the ASEAN month. MCC is adopting the Indonesia 2023 ASEAN Charimanship theme: "ASEAN Matters: Epicentrum of Growth". The theme aimed to strengthen ASEAN as an organization that is robust and agile, equipped with strengthened capacity and institutional effectiveness to address today's challenges and to remain relevant for its people, the region, and the world while continuing to serve as the region's epicentre of growth and prosperity.

With this, MCC is organizing a month long celebration that will promote ASEAN identity. Moreover, there will be an ASEAN art exhibit featuring paintings and other artworks. Finally, there will talks, seminars and performances highlighting the significance of ASEAN and Internationalization.
