Health Services Unit

Community Service with JCI Mabalacat (Flu Vaccination) & Crimson Tribe Lantern Festival

JCI Flu Vaccination Donation – December 13, 2021

Community Flu Vaccination Service with JCI – December 17, 2021

To mitigate the risk of COVID-19 infection within the community, flu vaccines were donated by the Junior Chamber International (JCI) Mabalacat. These flu vaccines were injected by the HSU Personnel amongst the MCC employees during December. Also, JCI Mabalacat together with the HSU Personnel inoculated the Teachers of Dau Central Elementary School with the flu vaccine on December 17, 2021 as part of the community outreach program.

MABALACAT CITY COLLEGE

To celebrate the season, the students of Mabalacat City College organized the Crimson Tribe Lantern Festival as well as the Christmas concert held in the *MCC Tambayan* on December 16, 2021. The HSU Personnel monitored the health protocols and safety of everyone who participated and watched the said event.

May 2021– SHS TESDA Assessment Assistance & Facts on Vax Webinar

Part of the duties and responsibilities of the HSU Personnel is the health assistance during the activities outside of the College. The Health Services Unit Personnel assisted the graduating Senior High School Students during their Culinary assessment facilitated by TESDA at Jose C. Feliciano College from May 12-14, 2021.

MABALACAT CITY COLLEGE

July 2021 – Calamansi for Haduan & Health Monitoring during Enrolment

In support to the project of KAYANTABE, an HSU Personnel went with the team in endorsing the Calamansi to the Barangay Captain of Haduan. The HSU Personnel came with the KAYANTABE team both in support to the project and as the health officer during the trek towards Haduan.
