

MABALACAT CITY COLLEGE

GLOBAL RELATIONS, OPPORTUNITIES, AND WORKFORCE DEVELOPMENT

TO: **MICHELLE AGUILAR-ONG, DPA**
College President

PROJECT TITLE: Sustainable Development Goals Award 2023 – Innovative Sustainable Impactful Programs (ISIP)

RATIONALE: The mandate of Mabalacat City College (MCC), as a community college, is anchored on the principle of academic and industry relevance, and social impact. The Institution exists not only to provide trainings and grant certifications and degrees but to also to ensure the extensive improvement of the community, including the people's quality of life. The end goal therefore of education at MCC is to provide an education that is responsive to the need of the community it serves and the industries that it works with.

OBJECTIVES:

1. To produce programs that are born out from a culture of care.
2. To expect in transforming communities and lives of the people.
3. To equip the next generation with the skills, knowledge, and understanding to address the sustainability challenges and opportunities.

SDGs:

17 Sustainable Development Goals (No Poverty, Zero Hunger, Good health and Well-being, Quality Education, Gender Equality, Clean Water and Sanitation, Affordable and Clean Energy, Decent work and Economic Growth, Industry, Innovation and Infrastructure, Reduced Inequalities, Sustainable Cities and Communities, Responsible consumption and production, Climate Action, Life below Water, Life on Land, Peace, Justice and Strong Institutions, and Partnerships for the Goals) –The Sustainable Development Goals (SDGs) aim to transform our world. They are a call to action to end poverty and inequality, protect the planet, and ensure that all people enjoy health, justice and prosperity.

BACKGROUND: MCC is launching the project I.S.I.P (Innovative, Sustainable, and Impactful Program): Rethinking and Reimagining our Future – The MCC Champion of SDG Awards 2023 on October 27, 2023. The said program aims at encouraging students, institutes, and offices at MCC to think of innovative programs that will contribute to the United Nations' 17 Sustainable Development Goals (SDGs). The SDGs are the concrete manifestation of a universal agreements aimed at addressing social issues like inclusivity, climate change, poverty, hunger, and others that hinder the prosper of a better planet. With the I.S.I.P.

MABALACAT CITY COLLEGE

GLOBAL RELATIONS, OPPORTUNITIES, AND WORKFORCE DEVELOPMENT

The project I.S.I.P, a Filipino term that refers to thinking and imagination, intends to encourage participants to think of beyond the usual projects that address social and global issues. MCC believes that with its students, faculty, and staff have potentials to think and imagine of creative advocacies and strategies that would “end poverty and all its dimensions and craft an equal, just and secure world -for people, planet, and prosperity” (United Nations).
